

To: Honorable Magistrate Of United States District Court
 My name is Bryant Elliott Davidson Bryant Elliott Davis I.D.
 #404-789 and I am writing you on May 10 2013 this Honorable Court is to
 File a "lawsuit" against the "State Of Maryland", Department Of Public
Safety and Correctional Services, Division Of Corrections and
Warden Of The Western Correctional Institution. Regarding the
Civil and Constitutional violations by two State correctional officers
Sergeant Gerald Lane and Captain Shalanda Suggs both whom
 work at the "Jessup Correctional Institution" against the plaintiff.
 Both State employees committed "Perjury" and "Forged" documents
 regarding a request made by the Honorable Louis A. Becker III on
 August 10, 2011 to Warden John S. Wolf under case number "13-K-02
042138" and "13-K-02-041668". Honorable Judge Louis A. Becker III on
 OF the Circuit Court For Howard County inquired about the validity
 OF a Affidavit sent to the Circuit Court For Howard County by
 the petitioner pursuant a "Writ Of Actual Innocence". Judge Louis A.
 Becker III request was to find out if Sergeant Gerald Lane signed
 the "Affidavit" which stated he witnessed a "Mrs Taryn Young"
 sign a Affidavit on January 23, 2011 while he supervised the
 Visiting Room. In investigation Supervisor Captain Shalanda
 Suggs held a investigation in which she produced a "3-11 POST
Assignment Worksheet" which stated that "Officer Mollie Johnson"
 was the Officer In charge of the Visiting Room on January 23,
 2011 and that Sergeant Gerald Lane was assigned to the
 Vehicle Sallipoint area of the institution on January 23, 2011.
 Sergeant Gerald Lane was also questioned by Investigation Supervisor
 Captain Shalanda Suggs as to his knowledge of the Affidavit
 with his signature on it on August 10, 2011 in which he wrote a
 handwritten statement, stating "He was not assigned to the Visiting
 Room on January 23, 2011 but was assigned to the Vehicle
 Sallipoint area of the prison which is outside of the institution
 and has no contact with inmates. This information was
 sent to the Honorable Judge Louis A. Becker III and to the
 State's Attorney Office For Howard County which later resulted
 in a indictment and prosecution under cases "13-K-11-51789".

The petitioner's new attorney Collateral Review attorney Margaret L. Lanier whom was assigned pursuant to an "Application For Post Conviction Relief" filed a "subpoena" with the Jessup Correctional Institution requesting the whereabouts of Sergeant Gerald Lane on January 23, 2011, where was he assigned? The Jessup Correctional Institution, P.O. Box 534, Jessup, MD 20794 responded by stating Sergeant Gerald Lane was assigned to the Visiting Room on January 23, 2011. This evidence is "totally contrary" to the previous investigation done by Captain Shelaunda Suggs which consisted of a "3-11 POST Assignment Worksheet" showing that officer Molie Johnson was the "Officer In Charge" of the Visiting Room and Sergeant Gerald Lane was assigned to the Vehicle Selfport of the institution. This "new evidence" also is contrary to Sergeant Gerald Lane's own written statements. It was through a investigation that found that that original 3-11 POST Assignment Worksheet that was sent by Captain Shelaunda Suggs was "forged" as she could not have come to that conclusion through a investigation of where Sergeant Gerald Lane was assigned on January 23, 2011. Had she response Collateral Review attorney Margaret L. Lanier got when she subpoena for his assigned position on January 23, 2011. These "blatant criminal acts" violated the petitioner's Civil and Constitutional rights, "defamed the character of the petitioner" and such conduct by State employees of the Division of Corrections amounts to "CrUEL and Unusual Punishment". These criminal acts warrant a lawsuit because they amount to violations of the petitioner's Civil Rights. The ARP process is only to ensure these officers are "internally reprimanded" but their conduct has already reached a criminal level as this original information was the subject of a indictment and prosecution by the State's Attorney Office for Howard County pursuant to case no-13-K-11-51789. The petitioner requests the right to press charges against both officers or that the Attorney General Office close, and the amount of 1 million dollars in damages.
